Coffee for a Cure

TWIN PORTS PAPER AND DULUTH COFFEE COMPANY

have teamed up for this NEW promotion to help in the fight against ALS!

Duluth Coffee is handpicked, processed and dried by coffee farmers across the globe and roasted here in Duluth, MN

Each bag of coffee, ground or whole bean, retails for \$10 per bag, and \$5 will be donated to Never Surrender, Inc.

To get started today or to learn more, contact Sandy or Monica, please indicate:

- How many bags of whole bean and/or ground coffee would you like?
- Will you pick up or do you need it shipped/delivered?
- Are you able to pre-pay for the coffee? This makes the donation collection easier on our end.
- If you need help approaching a business to sell any of our fundraising tools, please reach out, we are happy to help you.
